## PRESS RELEASE

### Taste the World Delivers Again!!

It was a day of food, fun and fine weather at the 4<sup>th</sup> annual *Taste the World International Food Fair* on Sunday, February 24, 2013. The Pigeon Island National Landmark was filled with close to 3000 patrons who came out to support the fund-raising event organized by the Saint Lucia National Trust.

Food lovers were in euphoria as they enjoyed mouth-watering cuisines from the Philippines, Nigeria, India, Saint Lucia, Barbados, Cuba,

Guyana, France, Italy, Japan, Trinidad and Tobago and Taiwan.

Some of the highlights of the day included a cooking demonstration by Chef Orlando Satchell; a blind beer-tasting and blind food-tasting challenge; and donut and ice cream eating contests. Taste the World International Food Fair would not be the same without fun sports for children and the young at heart. These sporting contests included lime and spoon race and three-legged race. Mr. Patrick Husbands, a Barbadian who holds the title of number one jockey in Barbados and Canada, was kind enough to sponsor EC\$400 cash to the winners of the three-legged race contests. This cash injection did indeed spice up the Food Fair just a tad more as participants transformed from relaxed to competitive mode to secure their winnings.

As if the food, fun and eclectic music were not enough, the crowd was also wowed by Bollywood Dancers, Latin Dancers and the Mamai La Kai folk band.

The SLNT thanks all patrons who supported this initiative which will assist with the organization to fulfill its conservation mandate. Special thanks also to our sponsors which include DBS TV, Scotia Bank, RCI, CIBC First Caribbean, Royal Bank of Canada, Bounty Rum, LIME, Bank of Saint Lucia and Digicel.

All proceeds from the Food Fair go toward the Trust's work in conservation. Those who missed the food fair can check out our photographs at:
