GENERAL PROCUREMENT NOTICE

**PIGEON ISLAND NATIONAL LANDMARK
REVETMENT WALL CONSTRUCTION**

Contract No. PP7/2021/SLNT_Eba

The Saint Lucia National Trust has received financing from the Caribbean Biodiversity Fund (CBF) towards the cost of the construction of the Pigeon Island National Landmark Revetment Wall, and it intends to apply part of the proceeds to payments for goods, works, non-consulting services and consultancy services to be procured under this project. This project will be jointly financed by the International Climate Initiative (IKI) of the German Federal Ministry for Environment, Nature Conservation, and Nuclear Safety through KfW.

The project will include the following main components:

- a. Excavating topsoil and beach rock in back beach area in water depths not exceeding 1.1 meters and cart away approximately 500 m³ of material.
- b. Supply, lay and shape Geotextile Fabric material to base of revetment wall over an area of approximately 1250 m².
- c. Supply, transport, store, place and shape approximately 1500 m³ of Rock Armour over a beach length of 155 meters.

Procurement of contracts financed by the KfW will be conducted through the procedures as specified in the Bank's "*Guidelines for Procurement of Consulting Services, Works, Plant, Goods and Non-Consulting Services in Financial Cooperation with Partner Countries, (January 2019) (Guidelines for Procurement)*", and is open to all eligible firms as defined in the "*Guidelines for Procurement*".

Post-qualification of contractors will be required for the project at the tendering stage. The tendering process will be conducted by means of the National Competitive Bidding procedure as defined in the "*Guidelines for Procurement*".

The Tender Notice and Technical Specification Documents shall be available on the Saint Lucia National Trust website: <https://slunatrust.org/news/general-procurement-notice-pinl-revetment-wall-construction> by 30th October 2021.
