Contract No. PP7/2021/SLNT\_Eba

Project No. EbA1 #76

Date: 30<sup>th</sup> October 2021

---

This invitation for bids follows the General Procurement Notice for construction services, which appeared in on Tuesday, 5<sup>th</sup> October 2021.

The Saint Lucia National Trust (SLNT) has received financing from the Caribbean Biodiversity Fund (CBF) towards the cost of a project entitled “Increasing the climate change resilience and public awareness of the Pointe Sable Environmental Protection Area and Pigeon Island National Landmark ecosystems”. The SLNT intends to apply part of the proceeds towards payments of costs for consulting services, works and material for the construction of the Pigeon Island National Landmark Revetment Wall component of the project. The grant funding for this project is jointly financed by the International Climate Initiative (IKI) of the German Federal Ministry for Environment, Nature Conservation, and Nuclear Safety through KfW.

The Saint Lucia National Trust now invites sealed bids from eligible bidders for the Pigeon Island National Landmark Revetment Wall Construction. The time for completion is four (4) months from the date of possession of the site.

The project will include the following main components:

- a. Excavating topsoil and beach rock in back beach area in water depths not exceeding 1.1 meters and cart away approximately 500 m<sup>3</sup> of material.
- b. Supply, lay and shape Geotextile Fabric material to base of revetment wall over an area of approximately 1250 m<sup>2</sup>.

- c. Supply, transport, store, place and shape approximately 1500 m<sup>3</sup> of Rock Armour over a beach length of about 155 meters.

The Bidding process will be conducted by means of the National Competitive Bidding procedures as specified in the KfW Guidelines for Procurement of Consulting Services, Works, Plant, Goods and Non-consulting Service in Financial Cooperation with Partner Countries (January 2019) (KfW Guidelines) and is open to all eligible firms as defined in the bidding documents. The successful bidder will be selected via a Single-Stage/Post-qualification process which implies that Bidders are required to submit evidence of qualification (qualification documents) together with the technical and financial offer as outlined in the bidding documents.

A complete set of bidding documents is available to interested Bidders on the Saint Lucia National Trust website and can be accessed directly via the link: <https://slunatrust.org/news/general-procurement-notice-pinl-revetment-wall-construction>.

Bidders may request may request clarifications to the bidding documents in writing via email address: [builtheritage@slunatrust.org](mailto:builtheritage@slunatrust.org) on or before 17<sup>th</sup> December 2021. All clarifications and addenda of Bidding Documents shall be in writing and any modification to the bidding documents shall be introduced in the form of an addendum and can be accessed via <https://tinyurl.com/PINL-Revetment-Wall-queries>. Therefore, Bidders are required to consult this link periodically for updates provided on the bidding documents and responses to questions posed by other potential bidders.

Qualification Documents and Bids must be delivered to the address indicated in the clause ITB22.1 of the bidding document on or before **4<sup>th</sup> January 2022 at 4:00 p.m. (AST)**.

Late submissions shall be rejected unless a late submission was due to events of *force majeure* (e.g. natural disasters, pandemic). Late submission due to courier services and/or custom clearance shall not be considered as events of *force majeure*.

In the first public session, only the Qualification Documents will be opened virtually in the presence of the Bidders' designated representatives. In the second public session only the Bids of those Bidders who have fulfilled the qualification criteria will be opened.

All Bids must be accompanied by a Bid Security and other documents listed in the Bidding documents.
